

PSED 305 FEEDBACK (After 3 months into the research module)

The feedback that you provide here could be useful to assist you as well as your lecturer with further planning and to provide assistance to you. Please answer the questions honestly.

DATE:	
STUDENT NAME & SURNAME	

What is positive about the module so far?

Do you find this module difficult? YES NO

Please explain.

When you do experience a problem with the work or assignments in this module, do you make an appointment with your lecturer?

YES or NO

If you have answered NO, why don't you make an appointment?

Do you hand in the assignments on time (the due date)? YES or NO

If you have answered NO, why don't you hand it in on time (on due date)?

How often do you work on this module? Make a tick in the box that reflects your position the best.

1	Everyday	
2	Every week	
3	A week before the assignment is due	
4	A day or two before the assignment is due	

Have you attended all the scheduled sessions for PSED305? YES or NO

If you have answered NO, why did you not attend all the sessions?

Have you been to the library to find information on any of the assignments for this module so far?

YES or NO

If you have answered NO, why don't you make use of the library?

Think: Are you really giving this module your best 'shot'? YES or NO

If you have answered NO, what are you going to do to give it your best shot?

Are you getting feedback in writing from your lecturer after you have handed in an assignment?

Does this feedback help you? YES NO

Please explain.

What do you do with the feedback that you get?

What recommendations can you provide (give) to improve this module? (What do we need to change in this module?)

THANK YOU FOR YOUR TIME
